## THE INTERNATIONAL CINEMATOGRAPHERS GUILD CELEBRATES THE WORK OF THEIR VISUAL ARTISTS AT THE ANNUAL EMERGING CINEMATOGRAPHER AWARDS

INT'L. CINEMATOGRAPHERS GUILD  
**EMERGING  
CINEMATOGRAPHER  
AWARDS  
2018**

We celebrate the achievement of our annual selection of honorees at our Emerging Cinematographer Awards at the premiere event in **Los Angeles** followed by 3 more events in **New York City, Atlanta, and Chicago**. Sponsoring the premiere event is an all inclusive package offering exposure at all events nationally. We at ICG feel that nurturing talent and creating opportunities for our members is at the heart of our organization. From the very beginning, we have dedicated ourselves to creating and promoting events that will benefit our members. One of the ways we do this is by showcasing their talents and giving them the crucial exposure they need to succeed in the Motion Picture Industry. As we head into a new season showcasing and promoting the cinematography work of our members, these events would not be possible without our the support of our generous sponsors.

**IN** 1996, the Film Showcase debuted as a unique forum for artists to showcase their films and get crucial exposure in an increasingly competitive industry. This event was created under the guidance of two Founders, former President George Spiro Dicie, ASC, and former Chairman, Robert Kositchek. Over the course of eleven years, the Film Showcase received more than 1,000 entries, proving its overwhelming success and popularity. In 2007, the Film Showcase rebranded itself as the Emerging Cinematographer Awards (ECA), which was expanded under our current President, Steven Poster, ASC, and Chairman and previous ICG Film Showcase recipient, Jimmy Matlosz, Director of Photography. The ECA has since expanded nationally by adding 3 additional events in New York City, Atlanta and Chicago. Our exposure has branched out internationally where the ECA films are screened annually at Camerimage in Poland. Where our films travel, so will sponsorship exposure.

Many of the past recipients have moved up the ranks to enjoy their careers as Directors of Photography. Recipients include: JOSH BLEIBTREU, Second Unit Director of Photography, Pirates of The Caribbean: Dead Man's Chest, Van Helsing, The Punisher, and X-Files (2 years); TOD CAMPBELL, Director of Photography, received the 2017 ASC Award for his artistic achievement on Mr. Robot; TODD A. DOS REIS, Director of Photography, Crazy Ex Girlfriend, Entourage; CAMERON DUNCAN, Director of Photography, Longmire; DARREN GENET, Director of Photography, CSI: Miami; ANETTE HAELLMIGK, Director of Photography, Game of Thrones, Insecure; KEN GLASSING, Director of Photography, CSI: Miami; CYNTHIA PUSHECK, ASC, Director of Photography, Good Girls Revolt, Revenge and Brothers & Sisters; and AMY VINCENT, ASC, Director of Photography, Hustle and Flow, Eve's Bayou, and The Caveman's Valentine.

Over the years, the ECA has shaped itself, offering additional networking benefits to our honorees and sponsors throughout the weekend of the event. Friday, the honorees and sponsors attend an exclusive luncheon typically held at the American Society of Cinematographers (ASC), where awards of recognition are presented to four recipients for their achievements in education, mentorship, journalism, and technology. Saturday, our honorees have breakfast and lunch with Agents, who lead a Q&A about representation and career advancement. Sunday is the main event where the honored films are showcased to members of the entertainment community, awards are presented to the Honorees, and sponsor in-kind prizes are announced.

In 2010, the ECA began a new tradition by bringing high caliber industry guest speakers to kick off the Los Angeles event. Producer, Director, and Actor KEVIN SMITH, was the first to pave the way. Guest speakers who followed him include: Former Executive Director of AMPAS, BRUCE DAVIS in 2011; Director, WERNER HERZOG in 2012; the legendary Actor and Comedian DICK VAN DYKE in 2013, Actress STEFANIE POWERS in 2014, Actress LINDSAY WAGNER in 2015, Director RICHARD KELLY in 2016, and Actor Alfred Molina in 2017.

Thanks to the generosity and support of both our cash sponsors and media partners, we intend to continue on our path of success as we head into our 22<sup>nd</sup> year of showcasing the excellent work of our emerging Cinematographers, whose careers we strive to launch and help rise through the ranks.
